

## **Best practices:**

### **Sustainable and Green Campus**

#### **1. Title of the Practice: Sustainable Campus**

#### **2. Objectives of Practice:**

- Train students to become protectors of Nature.
- Transform classroom – knowledge into life – application
- Participate in the nation – building process

#### **3. The Context:**

- The 'Zero Waste management' practice has now been expanded into a larger umbrella, 'Sustainable Campus', incorporating the initiatives of the Nature Club and Green Protocol Samithi.

#### **4. The Practices:**

- Conscientisation talks and seminars
- Environment related activities, cleaning campaigns
- Planting and greening drives
- Active participation in Swatch Bharat,
- Deplasticised campus
- Campus divided into Zones and entrusted to various departments for cleaning and greening
- Green Campus with trees, ornamental plants,
- Celebration of environment related days
- Distribution of Paper Bags
- Composting
- Sorting biodegradable and non biodegradable wastes for appropriate disposal

#### **5. Evidence of success**

- green campus, environmental awareness programs and well – maintained gardens.

#### **6. Problems Encountered and Resources required:**

- Availability of time.
- More space to be created.
- Revenue to be generated.

#### **7. Notes:**

- 'Sustainable Campus' is a practice that all institution can adopt, in view of environment al degradation.
