

Best practices

Green Clean Ghaziabad : Sustainable and Green Campus

1. Title of the Practice: Sustainable Campus

2. Objectives of Practice:

- **Train students to become protectors of Nature.**
- **Transform classroom – knowledge into life – application**
- **Participate in the nation – building process**

3. The Context:

- **The ‘Zero Waste management’ practice has now been expanded into a larger umbrella, ‘Sustainable Campus’, incorporating the initiatives of the Nature Club and Green Protocol Samithi.**

4. The Practices:

- **Conscientisation talks and seminars**
- **Environment related activities, cleaning campaigns**
- **Planting and greening drives**
- **Active participation in Swatch Bharat,**
- **Deplasticised campus**
- **Campus divided into Zones and entrusted to various departments for cleaning and greening**
- **Green Campus with fruit trees, ornamental plants,**
- **The green campus with various plants.**

2 Water Harvesting : The water is conserved through water harvesting management for the sustainable development.

- **The college has provision of disposing biodegradable and non-biodegradable sustainses**
- **All paper waste is disposed by collecting and denoting the same to recycling plants.**
